

# Covenant Highlights ~ June 2025

## PASTORS CORNER

Isaiah 44:23 (NLT)  
*Sing, O heavens, for the Lord has done this wondrous thing.*

*Shout for joy, O depths of the earth!*

*Break into song,*

*O mountains and forests and every tree!*

*For the Lord has redeemed Jacob*

*and is glorified in Israel.*

In Isaiah 44:23, Isaiah is prophesying about the restoration of Jerusalem after the Babylonian Exile (597-538 BC). In this passage of scripture, nature is personified to do human actions. In these verses, the heavens are singing, the depths of the earth are shouting for joy and the mountains and forests are breaking into song.

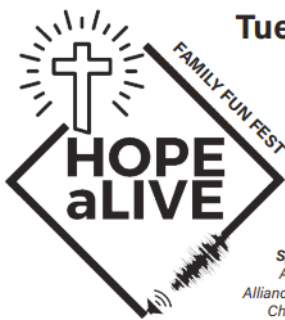

We are now fully into summer. The weather is warm and the plants are fully alive. As the wind blows through the trees on these beautiful days, I believe God is glorified through his creation.

If nature praises God, we who are made in his image should worship him as well. I think part of being in relationship with God is to thank and praise him every day.

Enjoy these days of summer and don't forget to exalt the One who made them.

Pastor Dan
